MISSION STATEMENT

Congregation Beth Israel's Chanen Preschool provides a high quality, safe and developmentally appropriate Jewish preschool experience.

PHILOSOPHY

At Chanen Preschool, each child is seen as a unique and precious gift. Our professional team encourages cognitive, language, social/emotional, and fine/gross motor development. Students will play, learn, laugh, and grow in a nurturing Jewish environment. Chanen Preschool strives to ensure that each child who is a part of our Chanen community be rooted in Jewish values and traditions.

AZ DEPARTMENT OF HEALTH SERVICES REGULATIONS

Congregation Beth Israel's Chanen Preschool is fully covered by liability insurance as mandated by the Arizona Department of Health Services-Child Care Licensing (AAC R9-5-302). A copy of our certificate of insurance and DHS Inspection results are available for viewing at the Preschool Front Desk. Chanen Preschool receives regularly scheduled and as needed pesticide control. Notice of treatment/spraying will be posted 48 hours prior to the treatment. The Arizona Department of Health Services, located at 150 North 18th Avenue, Suite 400, Phoenix, Arizona 85007 (602) 364-2539, regulates Congregation Beth Israel's Chanen Preschool facility.

REGISTRATION AND ENROLLMENT

- Congregation Beth Israel membership is encouraged, but not required.
- Chanen Preschool accepts children six weeks and older.
- Classes are determined by each child's age as of August 31st.
- Classes are filled on first come first served basis with priority given to Congregation members then currently enrolled families. The Chanen Preschool reserves the right to remove a child from the program as determined by the Director.

TUITION

Preschool Tuition is calculated on a 10-month amortized scale. For every child to be enrolled, a non-refundable registration fee will be collected.

Tuition must be current to register a child for Summer Camp and/or the next school year. Since tuition is based on an amortized scale, no refunds are given for illnesses, vacations, or days when school is closed. Missed days may not be made up on other days (ex: a student that attends Monday/Wednesday/Friday may not attend on a Tuesday or Thursday of a week that school is closed on Monday without incurring a daily rate). The monthly amortized rates are calculated based on the total number of days throughout the academic year and divided into 10 equal installments. Monthly payments are made on the 1st of the month beginning in July and completing in April.

PAYMENT OPTIONS

- Payment in Full= Monthly tuition x by July 1st (or start date).
- Monthly Payments= It is required that every family keep a method for automatic payment on file with the Preschool. This can be an auto debit from a checking, savings account (electronic funds transfer) or a VISA, MasterCard, AMEX or Discover credit card. Automatic payments will be processed on the first business day of the month. Parents always have the option to pay their account balances prior to the 1st via check or cash. These early payments must be received by the 20th. Any remaining account balance will automatically be charged on the 1st. Should a decline occur, a \$25 processing fee will be assessed. Please be sure to notify the Front Desk of any account changes or fraud to avoid a processing fee. Another option is to set-up automatic payments be sent directly from the bank to Congregation Beth Israel noting "Preschool Tuition." These payments must be received by the 20th of each month.

REFUND POLICY

If withdrawal from the Preschool is desired, notification must be made in writing. A Parent/Guardian is responsible for all charges for the calendar month following request to withdraw from the program.

In the event of withdrawal, if tuition has been paid in full, tuition for months attended will be adjusted to a non-discounted rate (if a discounted rate was previously paid). This number will be subtracted from the amount paid. Remaining tuition will be refunded after the one-month waiting period. Parents are responsible for tuition and all other charges accrued during the one-month waiting period. No challah, lunch, security, supply, snack, or school fees will be refunded.

SECURITY FEES

Security is a priority at Chanen Preschool. The \$400 per child security fee helps off-set the cost of having a uniformed officer and marked vehicle on Campus. The annual Security Fee is divided into two payments, due July 1st. and January 1st. Please do not ask for assistance watching children in the car, helping children get into school and chatting too long at drop-off and pick-up.

SCHOLARSHIPS

Limited scholarships may be available for tuition. All submissions will be reviewed before recommending scholarship allotments. All applications are kept confidential. Once the school year has started, please be aware that there may be no assistance available. If you need a scholarship, please email chanenadmin@cbiaz.org.

DAYS AND HOURS OF OPERATION

The academic year runs from August through May, Monday through Thursday 7:30 AM to 6:00 PM, Friday 7:30 AM to 4:30 PM. During the summer, we offer Camp Chanen. Preschool and Camp registrations are handled separately. Preschool enrollment information is distributed to parents in January. The Preschool calendar (sent within the Parent Packet) lists the days the Preschool will be closed.

TOILET TRAINING AND ADMISSIONS

Congregation Beth Israel's Chanen Preschool cannot admit any child who is not completely toilet trained into the three-year-old or Pre-K classes unless documentation of special needs is present in the student's file.

BIRTHDAYS

Children are welcome to celebrate their birthdays in school. Parents are welcome to bring birthday treats, provided they arrive sealed and from a commercial facility. Items cannot contain nuts. Please notify your child's teacher in advance so they can plan the day accordingly. You may only send home invitations for your child's private birthday party via cubbies when all children in the class are included.

HOLIDAYS

Throughout the year, many Jewish and secular holidays will be celebrated at Chanen Preschool. However, the school does not celebrate non-Jewish, religion-based holidays such as Christmas, Easter, Valentine's Day, and Halloween. Purim is the perfect time for children to wear their costumes to school. No Valentine cards may be brought to school or distributed. Further, please refer to the Chanen calendar for dates of in-school celebrations and the dates Preschool will be closed in observance of Jewish and National holidays.

DROP OFF AND PICK UP

The Chanen Preschool opens at 7:30 AM. Please do not arrive before that time. Children dropped off between 7:30- 8:50 AM are considered part of Early Care. At drop-off, relay any information related to your child (i.e., medication taken at home, new person picking up, early pick-up, etc.) with your child's teacher.

For those students not registered for Early Care, we urge parents to drop off their children on time between 8:50 AM and 9:00 AM for core teaching time. This allows your child to get involved with learning centers and to play with their friends creatively and independently, making important choices about how and with whom to play.

Our core teaching time begins promptly at 9:00 AM. Please respect our teachers and other students by arriving on time. Teachers are preparing for the day between 8:30 and 8:50 AM. If you arrive early, please take your child to the Early Care Room. If you arrive late, please bring your child to the Front Desk and we will accompany them to their classroom.

Space permitting, if parents wish their child to attend additional Early or After Care on a specific day, please request this at the Front Desk. Once approved, please remind the classroom teacher of the additional hours. Extra hours are billed at \$15 for Early care and \$20 for After care. These charges are based on the times your child enters and leaves the classroom (even if the parent stays with the child). Extra Hours charges will be withdrawn with tuition. Please keep in mind that naptime and afternoon programs begin at 1:00 PM and your arrival after that time can affect our teacher/child ratios.

All persons eligible for pick-up and drop-off must be properly notated on the Emergency Record Card. Your child will be released only to those persons whom you designate in writing. This sign in/sign out procedure is mandated by the AZ Department of Health Services. Upon arrival at Chanen Preschool, a picture ID will be required to verify identity for those not recognized by staff.

To ensure that children are picked-up on time, it necessary to establish a \$5.00 per minute charge for every minute a child is dropped off **before 7:30 AM** or **picked up after 6:00 PM**. If you will be late in picking up your child, please advise the Preschool so that arrangements can be made.

SNACK

Snacks are provided 2 times a day for a full day. All snacks are organic, when possible, student snacks are healthy pairings of multi-grain options, real fruits and vegetables, and other whole foods. Infant families provide their own snacks.

FOOD

- Chanen Preschool offers a catered hot lunch option 5 days per week catered through Culinary by Julie for \$7.00 per day.
- Lunches sent from home should arrive in a Bento style lunch box and be nutrient dense- including fruits, vegetables, and whole grains. No gum, candy, or soda.
- Student lunches cannot be heated as classrooms are not licensed to prepare hot food.
- Children are encouraged to eat their healthier lunch choices first.
- A labeled water bottle must be sent daily- first and last name are both required by DHS.

Congregation Beth Israel Chanen Preschool's dietary policy: No pork or shellfish are allowed on the premises. **Chanen Preschool is a nut sensitive facility.** Please do not send any nut products in lunches or as a snack. Please provide documentation from your child's doctor regarding any allergies to make sure our classroom allergy posting is accurate.

NAPPING MATS

Between 1-3 PM, children lie comfortably while sleeping at school on napping mats. Each child who naps may send a blanket or lovey on Monday. Items will be sent home on Friday to be washed and must be sent back to school the following Monday.

DIAPERING

For all students needing diapering, parents must provide all diapers, wipes, and ointments for their child/ children. Please send sealed sleeves of diapers and sealed cases of wipes. These will be kept in your child's classroom. A note will be sent home when your supply is running low. Please replace them immediately. If your child uses any diaper cream, please send a labeled tube that will stay at Preschool.

DRESS

Please send a complete change of clothing in a labeled zip-lock bag. This should include socks, underwear, shirt, pants or shorts and shoes- all items labeled. Keep them up to date and seasonal. Children are encouraged to wear play clothes and sneakers. Daily activities include active and messy play, and the children should feel comfortable enough to enjoy themselves without worrying about their clothes. To encourage their independence, children should wear clothes that they are able to put on themselves.

TOYS FROM HOME

There are plenty of toys at the Preschool for children to enjoy. Avoid sending toys, books or other valuables to school unless arranged through your child's teacher. Chanen Preschool is not responsible for lost or damaged items that are brought to school.

PARENT COMMUNICATION and CONFIDENTIALITY OF RECORDS

Chanen uses an app-based communication system called Procure Family Engagement. Families can communicate with their teacher through the app. Teachers can send pictures and daily reports through ProCare. Please follow the directions on the Procure parent flyer for downloading and using the app. A weekly newsletter will be sent out to parents on Fridays. Administration will also send information through the procure app and email.

Children's records are open to the child's teacher, the Director, and authorized employees of the AZ Department of Health Services as well as the child's parent or legal guardian only.

DISCIPLINE

A child's behavior is a learning opportunity. Teachers first try to help the child work through the issue by helping them discuss their feelings and how to resolve the problem. If a child is hurting themselves or others, we will remove them from the situation for safety then work through the situation. Parents and teachers are active participants in social/emotional development. The teachers will also try to redirect the child, give choices if appropriate and provide calming sensory materials.

- If the unacceptable behavior persists, the teacher will discuss the behavior with the Director; the parents may be called in for a conference to discuss what may be helpful in motivating the child to behave in an acceptable way. A plan will be developed which may include a behavior modification program with the parents having the option of being involved in the process.

As required by state licensing regulation, the following discipline statements are provided.

- Cruel, severe, unusual, or unnecessary punishment shall not be inflicted on children.
- Derogatory remarks shall not be made in the presence of children regarding family members of children in our care, or about the children themselves.
- All discipline will come from a Chanen employee. Parents are not permitted to discipline any children other than their own child.

ACCIDENT REPORTS

An incident report is completed for every accident. Reporting will be done as soon as possible through the ProCare app. In the event of a more serious, non-emergency injury, parents will be called within an hour. Parents will be notified immediately when emergencies occur.

ADMINISTRATION OF MEDICATIONS

Oral medication is kept in a locked box out of the reach of children at the Front Desk. EpiPen's remain in pairs in each child's classroom for use in the event of an emergency.

- Do not pack medication (including vitamins) with your child's lunch.
- All medicine requiring a measured amount should be sent with a medicine measuring spoon or dropper.
- A fully completed Medication Consent Form and Pharmacy printed label must accompany all medication as well as original packaging and doctor's note if dosage varies from manufacturer's instructions.

HEALTH INFORMATION AND MEDICAL FORMS

- All students must have a completed Emergency Card and age-appropriate immunization records on file.
- If a child is transported to the hospital for care, his/her medical forms will be sent along with him or her. A staff member will accompany the child and remain with the child until the arrival of a parent or guardian.

IMMUNIZATION POLICY

Effective as of May 18, 2015, all Chanen Preschool students are required to have current, age-appropriate vaccines recommended by the Maricopa County Department of Public Health. No Religious Exemptions are accepted.

GENERAL CLEANLINESS

Children are encouraged and helped to keep themselves clean. Soap and paper towels are provided for their use. Children are also encouraged in proper toilet training and hand washing. Please teach your child age-appropriate training in personal hygiene to include proper hand washing methods, time to wash hands and proper toileting procedures.

POTTY TRAINING

Potty training is a team effort at Chanen. When a child is showing potty readiness, the teacher and parents will meet for a potty-training planning meeting. Together, a comprehensive plan for home and school will be implemented. Open communication between parent and teacher is vital in making this learning experience a positive one. No punitive punishments for soiling clothing will occur when students are still toilet training. An additional potty-training guide will be sent home for all incoming 2-year-olds.

CHILD ABUSE/MANDATED REPORTING

Should any Preschool staff suspect possible abuse or neglect, reports of mistreatment will be brought to the Director and to the attention of the Department of Child Safety in accordance with Arizona Required Statutes. If a parent suspects abuse by a staff member at the Preschool, it is very important that it be reported to the Preschool Director immediately.

ILLNESS

See attached form.

BITING

Chanen Preschool, like all schools, occasionally has a child that will bite another child. Current research suggests that biting is a normal developmental phase for infants and toddlers but when it happens, it can be scary and frustrating for everyone. Because of the developmental nature of most biting, experts stress that biting is not something to blame on the child's parents or teachers.

Experts believe that biting in toddlers between 12 and 36 months old is a form of communication (i.e., to communicate frustration while learning social, language and self-control skills). Toddlers seldom plan, but rather they see and act on what they are experiencing now. Toddlers do not have the language necessary to control a situation or their attempts at communication are not understood or respected. Biting becomes a powerful way to communicate with and control others and the environment. Biting demonstrates autonomy and is a quick way to get a toy or attention. Many toddlers do not yet understand sharing.

Literature explains that biting may be related to the child's developmental stage. Thus, punishment in general is not advised either at home or in a childcare setting. Instead, it is recommended that a focus of attention on the victim, shielding the victim from the biter, initiating first aid measures as necessary and consoling the victim is best practice. The literature strongly suggests that caregivers and parents not to bite the child back as a punishment or to show the child how it feels to be bitten.

For safety and health concerns, biting is taken very seriously. Staff members quickly remove the biter from the situation without dramatic movements, attention or an emotional response that could provide negative reinforcement to the biter. Parents and caregivers can tell the biter that "biting is not OK," "I can't let you hurt your friends," etc. Toddlers may not understand time-out, but caregivers need to make sure that the biter is not near other children until they have calmed down and can be redirected. Overall, the Preschool makes every effort to maintain positive relationships with parents through informed communication. Guidance to the parents of children who bite will be provided with the goal of helping children develop self-control and communication skills. A quick and consistent response at home and in the classroom can help children who bite learn to express their feelings in words so that they can become better able to control their behavior.

When biting, or any other physical behavior occurs in school, the parents of the aggressor, as well as the parents of the victim, are notified privately. To maintain privacy, the names of the children involved are not given out. The Director and classroom teacher will handle each situation as needed. If the child's behavioral problem poses a safety risk to other children, at the Preschool's discretion, the child may be asked to leave the program. The goal of Chanen administration and staff is to help the child work through the phase with proper supports and strategies. We have protocols in place to immediately work with the child and their families to eliminate the behavior as quickly as possible. Asking a child to leave is done only after every effort to support the child through the behavior has been exhausted.

INFANT ADDENDUM

THE BASICS

- Infants must be 6 weeks old to be enrolled in the Infant Program.
- The program is offered Monday-Thursday 7:30 AM- 6:00 PM, Friday 7:30 AM-4:30 PM
- The state ratio is 1:5 or 2:11 but Chanen maintains a 1:3 ratio for Infants/Ones

CHANEN INFANT PROGRAM

Our Infant Program effectively provides a safe, loving and stimulating environment where babies can grow and develop at their own rate. The program is unique in that classrooms can individualize focus on specific needs and wants of each child. Chanen's Infant Specialists create a warm and responsive atmosphere. Infants experience smiles, singing and stimulating interactions throughout their day. Caregivers will teach and facilitate sharing and caring through playing, holding, feeding, and face-to-face interactions. Your baby's developmental milestones are carefully monitored, and their physical development is enhanced by allowing them the freedom to move safely around the classroom.

Each baby follows their own (or parent-requested) schedule of eating, sleeping, and playing in the early months. Diapers are changed throughout the day as needed. The social and emotional development of each infant is of primary importance. When it becomes developmentally appropriate, independence is encouraged and soon infants are feeding themselves at the table and engaging in play.

The Infant Teachers specialize in personal one on one feedings, tummy time, meeting developmental milestones such as rolling over, reaching for toys, sitting and lots and lots of babbling! Staff working with older infants will also continue to challenge babies to reach new milestones. Introducing many new sensory activities, staff encourage babies to have as many hands-on experiences as possible. Through music, art, movement, and messy play, your baby will be exposed to many exciting language and sensory experiences. In both classrooms, teachers will support parents on this new journey of parenthood. They will be a wonderful sounding board and offer support and suggestions as babies are ready to try new foods, learn to use a sippy cup and change their sleeping patterns.

DAILY COMMUNICATION

Infant Daily Logs detail baby's eating, napping, diapering, and activities. Parents are asked to fill out the top portion of the Log daily before dropping your child off. The procare engagement app is used for daily messages and pictures.

BOTTLES

Babies will be held during each bottled feeding unless instructed otherwise.

SHOE FREE CLASSROOMS

Infant rooms are a shoe free zone. Everyone is asked to either remove their shoes or use a shoe cover. Infant teachers may use classroom only shoes if they are only worn in the classroom. Staff may also wear no slip socks.

NAP TIME

Chanen Preschool provides your baby with a crib only they will use throughout their day. Each Monday, parents will bring a sheet and blanket. Sheets will be sent home on Friday for washing and should be brought back the Monday.

SUPPLIES

Please bring the following:

- Sealed Sleeve of Diapers
- Sealed Case of Wipes
- Formula or breast milk (additional frozen milk for supplementation if necessary is requested)
- Enough bottles each day with lids (label all pieces)
- Food (Infants receive only their family provided food items)
- Burp Cloths and Bibs
- Crib sheet (note we use mini cribs so pack n play size works best)
- Sleep Sack
- At least 2 changes of clothes (size appropriate and seasonal)

PLAY TIME

The Infant Room is arranged to enable learning and exploration with safety first. Providing age-appropriate toys, infants enhance cognition and development together with both large muscle and fine motor skills. Through play, babies begin to understand themselves, others, and the outside world. They also develop their ability to communicate.

DIAPER CHANGING

The diaper changing area is separated from other areas. Diaper changing can be a treat when it comes with a special song or rhyme. During each diaper change disposable gloves are worn. Once the baby is changed, the diaper area is sprayed with bleach water followed by a soap solution to clean and sanitize the area.

TUMMY TIME

Your baby will have special "tummy time" multiple times daily. This will give your child the opportunity to stretch and work on their muscle tone. This activity is incorporated into the daily plan for your child. A staff member will always be sitting next to a child doing tummy time to ensure their safety.

OUTSIDE FUN

Weather permitting, babies will have the opportunity to play outside. There are two six-seat canopied buggies, as well as an incredible covered infant playground with misters for the infants. We may take a walk to the playground to watch the older children play or just wheel around the schoolyard or even stop in to say hello to the Rabbis and Cantor. The babies love to go outside to feel the warm sunshine and get some fresh air!

JEWISH CURRICULUM

Infants are exposed to Jewish music and Shabbat on Fridays. Chanen babies enjoy holiday celebrations and often create artwork relating to monthly Jewish value curriculum.

MEDICATION AT HOME AND SCHOOL

If your baby is receiving any medication at home, especially for teething, please notify the staff when you bring your baby to school. It is imperative that we have this information should there be any type of side effects, or your baby just is not acting like him or herself.

TEETHING

Teething does not cause fevers, but some teething babies may experience a slight rise in temperature around the time when they are teething. While they may show signs of Irritability and crankiness, refuse the bottle (sucking hurts or eat less and drool, symptoms such as diarrhea or excessive runny nose will be dealt with in the same manner as other sickness at Preschool.

TRANSITION

Chanen's infant program is designed to support the development of the first year of a child's life. Our younger infant program focuses on babies 6 weeks old-crawling (roughly 6-8 months). Once a child is crawling, they will transition to the older infant program which focuses on more advanced gross motor development. Per licensing, once a child is 1 year old and walking, they must move up to a one's classroom. Your teacher will help you prepare for the transition to the ones program when your child starts showing early signs of walking.

PARENT CODE OF CONDUCT 2023-2024

To ensure positive relationships with parents and members of staff that benefits each child's learning, development, and sense of security as well as to ensure mutual respect between staff and parents is always maintained, Chanen Preschool has adapted these policies and standards of conduct.

Chanen Preschool requires that parents of enrolled children behave in a manner consistent with decency, courtesy, and respect at all times. One of our most important goals is to provide the most appropriate and secure environment for children that encourages growth, learning and development. Achieving this ideal environment is not only the responsibility of employees and board members at Chanen but it is also the responsibility of each parent or adult who enters the school.

We are a close family-like community here at Chanen and the preschool is aware that staff and parents may be friends outside of the classroom setting. It is important for any personal conflicts or disagreements to be kept outside of the preschool. Preschool shall always be a calm and positive place for children. Any concerns a parent may have regarding a member of staff will be listened to outside of the classroom and where needed acted upon. However, it is both the parents and the staff member's responsibility to ensure that personal disagreements and general dislikes of each other must be kept outside of the classroom setting.

Front Desk

The front desk is a space for limited conversations. If you have concerns for your child or the program, we ask that you schedule a time to meet with either the teacher or administration. At no time should personal or confidential information be discussed in the front desk.

SWEARING/CURSING:

No parent or adult shall be permitted to curse or use any other inappropriate language when working in the classroom or playground. Such language will NOT be tolerated in the presence of children, preschool staff, or temple staff members.

INAPPROPRIATE ATTIRE:

Parents and staff members are expected to dress appropriately when working in the classroom. Revealing clothing and beachwear should be avoided.

THREATS AND CONFRONTATION:

Threats of any kind toward Chanen staff, board members, other parents or children will not be tolerated. While it is understood that all parents may not agree with the staff of Chanen Preschool or the parents of other children, it is expected that all disagreements be handled in a calm and respectful manner. Confrontational interactions are not an appropriate means by which to communicate a point are strictly prohibited. Shouting, raising of voices or any unwanted physical contact is considered inappropriate behavior. **PARENTS MUST BE RESPONSIBLE FOR AND IN CONTROL OF THEIR OWN BEHAVIOR AT ALL TIMES.**

With these policies in place, we hope to provide your child and family with a comfortable and safe environment as we help set the stage for a life full of learning ahead. We can only truly provide this with the help of each parent. Chanen Preschool promises to continue to work in partnership with parents to make learning fun.

TUITION EXPRESS

All childcare/ authorized charges are processed through Tuition Express. Payments will be debited from your bank account or charged to your credit card plus applicable fees. All payments are secure. Tuition Express incorporates additional security procedures, utilizing 128-bit encryption. If you find an error has occurred, report the error immediately—it was likely an honest mistake. We will adjust your account accordingly. Tuition Express and your childcare provider will work closely to resolve the issue in a timely manner.
